

CRIME PREVENTION - INSTRUCTOR COURSE

Become a Refuse To Be A Victim® Certified Instructor!

Safety experts agree the single most important step toward ensuring personal safety is making the conscious decision to Refuse To Be A Victim®. Citizens stand a much better chance of preventing a criminal attack if they develop a crime prevention/safety plan before they need it.

This one-day course will teach participants how to successfully conduct a Refuse To Be A Victim® seminar for the public in order to help them to become proactive about their own personal safety. Attendees will learn how to teach the topics in the Refuse To Be A Victim® student handbook which includes:

The Psychology of Criminals, Home & Automobile Security, Mental Preparedness, Travel & Technological Security, Self-Defense Training Options, Personal Safety Devices, Physical Security and much more!

Each instructor will receive training and materials needed to conduct a successful Refuse To Be A Victim® seminar. All trainers who complete the Course can teach the program – and receive free materials for their instructed courses.
